

The whitewashed restaurant and handsome timber-panelled bar occupy the light and bright open-plan first floor, seating 100 and 28 respectively. Flooded with daylight this old factory is a blank canvas for your imagination. Dress it up, or leave it chic & simple. Continue your celebrations in the Private Dining Room downstairs.

E X T R A S

As well as food and drink our extremely competent and professional team will be happy to fix flowers, provide a pianist, organise hand written placement cards or rustle up a troupe of performers in their diligent attention to the finer details of staging.
